

The Topic I Speak On At Game Dinners Is:

**"The Evolution of the Animal Rights Movement"
How we WILL lose our Rights to Fish & Hunt!**

“Gerry will do a Call To Action with heads bowed and eyes closed as part of his 45 minute time. The Board of Directors of *God's Great Outdoors* asks that the church or outdoor ministry prepare a follow-up team for discipleship of those making any decision and that “Information Cards” (decision cards) be used at the end of the outreach to discover those who have. Additionally, the church or ministry agrees to begin praying for all aspects of this outreach, including by name those that will be personally invited to the event. Also you will receive free, four of Gerry's wildlife prints (two signed, and two smaller unsigned) to be framed by you to be used as door prizes. These and several other big door prizes should be held to the end, tied to the “Information Cards.” Gerry will be glad to share on the phone just how easily this part can be done and very quickly too!

Cards should have a place for all contact information to be written. The following are some questions we suggest you use, because Gerry does touch base on these areas for follow up:

- 1) I was invited by? _____
- 2) What is God's plan for my life? _____
- 3) I'd like to know more about Creation Vs Evolution! _____
- 4) I'd like to know more about End Times! _____
- 5) We have a personal problem we need to talk about! _____
- 6) I recommitted my life to Jesus Christ today! _____
- 7) I prayed today to receive Jesus Christ as Savior! _____
