*Be exalted, O God, above the heavens;
let your glory be over all the earth. Psalm 57:5*

Greetings to Pathfinders & Friends,

June 4th, 2016

Here is something to plan for as we will be doing a two day gathering here for our 20th year *God's Great Outdoors* radio anniversary coming up July 6th. On **July 8th & 9th** we will be doing a very special "*Celebration Of Praise & Thanksgiving!*" Starting Friday evening with several speakers to include keynote Tim Mahoney and his music performance during a night of sharing over dinner, with friends from across the nation and **we will want you there and pray you'll bring someone along too!**

WE WELCOME YOU IN JOINING US!

What's Happening On Friday, July 8th? *20th Anniversary Celebration Of Praise & Thanksgiving!*

First Baptist Church of Troy, 53 S. Norwich Road, Troy, Ohio 45373 (937) 339-3602 www.fbctroy.com

Keynote Speaker/Gifted Musician: Film Director Tim Mahoney & his production team have been (and still are) investigating the biblical Exodus story and new archeological evidence. Their effort resulted in a powerful documentary film titled, "*Patterns of Evidence*" *Exodus*. He will tell of this adventure over the years and how the *Thinking Man Films* has seven more hours of archeological evidence to be presented in one hour each, documentary episodes. Clearly there's much more proof coming that validates the Bible!

Tim Mahoney is also a gifted song writer and musician who can share on guitar, banjo, mandolin and the violin. His music is lively and presents clear messages that reflect God's written Word. It is a focus on the lessons that we can discover, plus we should share with others. This will be something that will help you as you pray about who you will bring to this reflection of God's hand on the radio program broadcast.

To reserve a canoe you need to call them at: (937) 667-4862 and do mention that you're with *God's Great Outdoors*. You, can email *Barefoot Canoes* also at: barefootcanoe@yahoo.com to make reservations. If you have your own canoe or kayak, *Barefoot Canoes* will run you and the family, plus the watercraft up river for \$10.00. Do make this arrangement beforehand as well and be sure you bring paddles and the proper/required flotation device for each person who will be joining you down the scenic Stillwater River.**

We'll cancel this part of Saturday with river flooding or lightning storms!

Not Going Downriver Saturday, July 9th?

That's OK!

Attendees are welcome to just start and stay at the city park's shelters we have reserved for a great time of fellowship and fun awaiting the Canoe & Kayak arrival! Together we'll honor our Creator Jesus for all He's done for us! We're inviting the "Non-River Runners" to arrive at 10:00 AM with their personally packed picnic lunches and drinks to eat after the blessing is given at 12: 00 Noon or so, when the river's armada has safely returned. Be sure to bring lawn chairs, corn hole games, there will be wiffle ball on the softball field and there is a playground for the children as well. Also, there will be live music after lunch provided by the individual who wrote, produced and recorded the *God's Great Outdoors* theme song used each week on the radio program broadcast, Ted Wilson.

Again, we'll be sharing about our Creator God as we also thank Him for these 20 years of ministry and therefore this will be a wonderful opportunity for you to bring someone or a family along. Be in prayer who God would have you invite, TELL OTHER CHRISTIANS ABOUT THESE EVENTS as someone they bring could make a life changing decision and we all can Praise God for this too!
